

Dudley Memorial Squares

Since the DWC's inception in 2008, club volunteers have planted, fed, watered and weeded the 11 memorial squares located throughout Dudley.

In the early years, the Town of Dudley bought the plants DWC members, under the leadership of Press Director Nancy Vajcovec, cared for from Memorial Day through Veterans Day each year.

Eventually, the DWC began donating the plants per the Highway Department's approved plan. In 2018, to honor the club's 10th anniversary, the DWC bought extra plants per site to enhance their beauty.
